Re: Participation of Elia Vitturini

The ECAS held their conference in Cologne from 30th May to 03rd June, 2023. Over 1970 delegates attended for five days of panels and presentations.

This is to certify that Elia Vitturini attended the conference, and presented papers entitled **Legacies of Slavery and Repertoires of Emancipation: The Historicity of a Village Arena in The Gambia**; and **BUILDING PARTICIPATORY ARCHIVES OF SOMALI REFUGEES AND ASYLUM SEEKERS IN EUROPE: PROPOSALS, DILEMMAS AND CHALLENGES**.

The panel/paper abstracts and full conference information were published on the ECAS2023: African Futures website at <https://ecasconference.org/2023>.

Elia Vitturini's participation in this event was much appreciated.

Yours faithfully,
