--------------	----------------------	---------------------------------	----------------------------	--------------------	--------------------------	--------------------

## I. INFORMATION

A copy of the current Premier League table is attached, and it can be seen that this game is very important to both Clubs and their fans. A win for Stoke makes their Premier League survival more likely, and a loss for Newcastle would make it more difficult for them to avoid relegation, therefore the result will have a huge bearing on the reaction of the crowd.

It is expected that Newcastle will sell out of their allocation of 2,900 tickets, and the whole Match is likely to be another sell out, therefore a capacity 27,500 crowd. There will be no other segregation netting in the Stadium apart from the netting in the South Stand.

The vast majority of persons attending today are ordinary decent people wanting to watch an exciting sporting event in a safe environment.

A vital part of our Operation is speaking to the supporters and all officers will take the opportunity to engage the public to promote a good relationship between supporters and Staffordshire Police. Officers will act proportionately throughout

[Train travel from Newcastle will NOT be an issue today, there are NO RETURN Trains, However fans arriving by rail can not be totally discounted, as with many clubs, Newcastle United fans live in other parts of the country and may travel into Stoke railway station from elsewhere.

Owing to it being the Easter University break **Staffordshire University Students Union, Look Road Venue (LRV) IS CLOSED AND NOT AVAILABLE**.  
However fans MUST be directed to the Stadium and Stadium site, and advised NOT to drink in

Newcastle United have a reputation of being very passionate fans, and elements do drink to excess. While being a late kick-off there is opportunity for excessive drinking to occur.

A reasonably large turn out of Stoke City Risk fans can be anticipated for this game, up dated intelligence will be provided on match day briefings.

**IMPORTANT SOUTH STAND ISSUES / CHANGES:**  
• South Stand is now shared by both Home and Away fans with segregation measures  
in place. Please see the [South Stand seating arrangements](#).

Away fans use Turnstiles 45 to 50, and Exit gates 'Y' and 'W'. Home fans use Turnstiles 42 to 44, and Exit gates 'U' and 'UU'. Exit gate 'UU' is a new gate and is located just outside the turnstiles.

**East Stand** is a new gate and is located just off the East of the Stadium but does serve as an exit from the South Stand only.

Within the Concourse are newly installed substantial metal segregation doors. These will remain locked through the concourse until access is granted.

On the seating deck there is a 14 seat wide segregation netted sacristan area. The main lounge is unoriginal. NO ACESS THROUGH either for Police Officers.

Away fans are located in Blocks 37 - 40 (2,900 spaces), Home fans are located in Blocks 35 - 38 (1,400 spaces) Externaly on the Stadium Perimeter - there is a newly installed segregation fence, this will remain closed and LOCKED throughout - NO ACCESS CONTINUED overleaf.
